What Is the Westchester Town Center BID?

The mission of the WTC BID is to: proactively enhance the vitality of the business district, its stakeholders, and the community by providing an inviting environment; streetscape landscaping and beautification; marketing and promotions; new business attraction; and policy advocacy.

It is a property based District formed by a vote of the commercial property owners that assess themselves for its costs of operation. Some 129 properties are included, and it is one of about 45 other business improvement districts in the City of Los Angeles. The WTC BID is managed by a non-profit corporation pursuant to its adopted Management District Plan and contract with the City. Its Board of Directors meets monthly and invites stakeholder participation.
